Remember USAREUR Driver's Licenses Do Expire

Take a moment and look for the expiration date on personal U.S. Army Europe driver's licenses. All licenses do expire, and if that date has come and gone, the license must be renewed immediately. Failure to do so could result in a loss of driving privileges for 90 days. For more info refer to USAREUR regulation UR190-1 or call the Provost Marshal's office at 430-5262/civ. 0711-680-5262.

6th ASG Needs Volunteers For AFAP Symposium

The Army Family Action Plan is a program that seeks to resolve significant issues that affect Army well-being. It is a grass roots process that identifies issues, raises them to the appropriate level and tracks progress until they are resolved. U.S. Army Europe conducts an annual AFAP forum to prioritize issues forwarded by the Area Support Groups. The 6th Area Support Group Army Family Action Plan Symposium will be held Jan. 23, 8 a.m. to 4:30 p.m. in the Swabian Special Events Center on Patch Barracks. Everyone is welcome to participate; only registered participants may attend. Currently volunteers are needed to serve as delegates in consumer services, youth and education services, medical and dental services, family support services, housing, relocation, and employment services, and recorders and issue support persons. Forms to register are available at Army Community Service. Sign up to volunteer before Nov. 11. For info call Caroline Orama 430-7176/civ. 0711-680-7176, or e-mail oramac@6asg.army.mil.

Be Locker Smart

There have been several locker break-ins in The Patch Fitness Center. Locks are being broken from the lockers, so as a safety precaution the Provost Marshal's Office asks that fitness center patrons exercise caution when using lockers. Patrons are advised to avoid leaving items of value, such as wallets and jewelry in their lockers.

Restrictions on International Mail

Mailing packages stateside from abroad involves many prohibitions, restrictions and import duty rules. Banned products include canned meats, paté, salami, sausage and soup mixes containing meat. It is also illegal to mail handguns, alcoholic beverages and many other items to the U.S. Some items not on the banned list may be restricted and need special import permits. A customs declaration has to be on every parcel going to the states and falsifying it is a federal crime. Avoid problems and pick up an international mail imports pamphlet at any military customs office or view it online at www.customs.gov/travel/internat.htm.

Remember Complacency Can Kill

The recent bombings on Bali in Indonesia prove that no place is safe from terrorist activity. The victims of this attack were mostly tourists. Injuries may have been reduced if the people around the recreation area had been alert and aware of their surroundings. The lesson is that no one cannot let down their guard, both at home or when on leave. Illegally parked vehicles or suspicious packages left unattended should always be reported to the military or local police.

Pre-Separation Briefing Scheduled

The Stuttgart Transition Center is hosting a pre-separation briefing Nov. 12, 8:45 a.m. to noon on Panzer Kaserne, building 2948, room 407. Soldiers who are transitioning from active duty are required to attend. Important information concerning transition benefits and services will be discussed. To make a reservation call 431-2698/civ. 07031-15698.

Guardsmen And Reservists Take Note

Army Reservists and Guardsmen on active duty for more than 90 days should contact the Stuttgart Transition Center to ensure timely receipt of a DD Form 214, Certificate of Release or Discharge From Active Duty. To annotate time for prior service or awards, fax all previous DD 214's to 431-2625/civ. 07031-15625. For info call Ms. Maynard at 431-2698/civ. 07031-15698, or e-mail transitionctr@cmtymail.6asg.army.mil.

Be Aware of Suspicious Packages

Community members need to be aware of suspicious mail and packages. Characteristics to look for include an unusual or unknown place of origin, no return address, an excessive amount of postage, threatening messages, an abnormal or unusual size, oily stains or powder, incorrect spelling of common words, differing return address and postmarks and peculiar odors such as almond, dried grass or peach. Never touch or move a suspicious package or letter, and wash hands immediately if you suspect the package may be contaminated. Immediately report incidents by calling the Stuttgart Military Intelligence Office at 421-2206/civ. 0711-729-2206.

Use ZIP+4 For Military Addressed Mail

The standardized U.S. Army Europe mailing address is four lines and includes the ZIP+4, a four-digit addition to the five-digit APO number. The four numbers added to the ZIP correspond either to the box number (with leading zeros) or to the last four digits of the unit number. For

example, Box 1952 of zip code 09128 would be 09128-1952 and box 14 would 09128-0014. The zip+4 of unit 29058 would be 9058. For more info call your local Army Post Office, the USAREUR Postal Operations Directorate at 379-7643/civ. 06202-806-131 or visit the Postal Operations Directorate Web site at <https://home.1perscom.army.mil/pod>.
